

Live well
Love much
Laugh often

Sally's West Shore Pub

Sept. 14, 2006

Dear Dr. Sorbero,

You talent
and skill shine
through! My mouth
feels great, and I
have no swelling!

Then, of course
I had ice packs
on from the moment
I got home on Weds.

I hope I
didn't throw a wrench in
that morning, it was
not my intent!

Sincere

Thanks

Sally Kesting
